

Backstop Signage at Sunset Park

Updated April 2026

Advertising signage space is available for purchase on a first come, first served basis for the baseball field backstop at Sunset Park.

Signage is intended exclusively for the promotion of local businesses, services, and organizations. Signs must display business-related content such as a business name, logo, contact information, or description of services.

Signs may not be used for field naming, personal recognition, memorials, or non-commercial messages and such submissions will not be approved.

Signs must be 3' x 4' and cost \$750 per year (from the date the sign is paid for). The payee is responsible for designing and purchasing the sign. All designs must be submitted to and approved by the District prior to production.

Please email the PWWPCD (mail@pwwpcd.us) with your proposed sign design. Payment will be due upon approval. The District is responsible for installing the sign.

Payment must be made by check, payable to the PWWPCD, and delivered to the District at 70 Harbor Road, Port Washington, NY.
